Appendices

- Appendix A – Glossary and Commonly Used Acronyms
- Appendix B – Agencies and Persons Contacted/Public Participation Plan
- Appendix C – MCTC Organization Chart
- Appendix D – Correspondence/Public Notice
- Appendix E – Regional Transportation Planning and Programming Process
- Appendix F – Level of Service Descriptions
- Appendix G – Regional ITS Architecture
- Appendix H – Air Quality Compliance Letter
- Appendix I – Mobility Management Plan

LIST OF TABLES

Table	Page
1-1 Participation Process During RTP Development	10
2-1 Modoc County Population Estimates and Forecasts by Age Group	15
2-2 Modoc County Inter-County Commute Pattern Data	17
2-3 Personal Income in 1999	18
2-4 Indian Reservation Roads in Modoc	23
2-5 Functional Classifications of Regional Roadway System	30
2-6 Daily Traffic Volumes on State Highways, 1993-2004	31
2-7 Peak Month Average Daily Traffic Volumes on State Highways, 1993-2004	34
2-8 Truck Traffic on State Highways in Modoc County	34
2-9 Level of Service on State Highways in Modoc County, 2004	35
2-10 Vehicle Miles Traveled in Modoc	36
2-11 City and County Bridge Inventory	38
2-12 Modoc County State Bridge Inventory	39
2-13 Modoc Sage Stage Operations	44
2-14 Current and Future Aircraft Activity in Modoc County	51
2-15 Completed Transportation Improvement Projects in Modoc County – 2001 through 2007	57
3-1 Reliability and System Preservation Goal (1)	64
3-2 Safety and Security Goal (2)	65
3-3 Mobility and Accessibility Goal (3)	66
3-4 Quality of Life Goal (4)	67
3-5 Financial Goal (5)	68
3-6 Livable Communities Goal (6)	69
3-7 Advanced Technologies Goal (7)	70
4-1 Modoc and Neighboring Counties Population	71
4-2 State Highway Estimated Future Annual Average Daily Traffic	73
4-3 Forecast Peak Month Average Daily Traffic (ADT) Volumes	74
4-4 2008 Modoc County Region Performance Indicators and Measures	84
4-5 State Highway Future Roadway Improvement Projects – 20-Year Vision	89
4-6 State Highway Future Needs	92

4-7	County of Modoc Roadway Improvement Projects – Recurring Funding Sources	93
4-8	County of Modoc Special Funding Program Improvement Projects – 20-Year Vision	95
4-9	County of Modoc Roadway Improvement Projects – Financially Unconstrained.....	98
4-10	City of Alturas Street Improvement Projects – 20-Year Vision.....	99
4-11	City of Alturas Financially Unconstrained Street Improvement Projects	101
4-12	Modoc County Future Bridge Improvement Projects	103
4-13	State Highway Bridge Improvement Projects in Modoc County, 20-Year Vision	105
4-14	Tribal Transportation Future Improvement Projects	106
4-15	Public Transit/Coordinated Transit Improvement Projects, 20-Year Vision	107
4-16	Coordinated Transit Goals and Strategies	110
4-17	Regional Bicycle/Pedestrian Transportation System Improvement Projects	111
4-18	Airport Capital Improvement Projects, 20-Year Vision.....	113
5-1	MCTC Projected Recurring Revenues	130
5-2	MCTC Proposed Roadway Projects Cost to Revenues Comparison	131
5-3	Projected Recurring Revenues – Aviation and Local Funding Sources.....	132
5-4	Proposed Roadway/Bridge Projects Cost to Revenues Comparison.....	134

LIST OF FIGURES

Figure	Page	
2-1	Modoc County Site and Location Map	14
2-2	Modoc County Roadway Classification Map.....	25
2-3	US 14/395 Concept	27
2-4	Alturas Classification Map.....	28
2-5	State Highways 2004 AADT Volumes	32
2-6	Sage Stage Bus Routes	41
2-7	Modoc County Airports and Railroads.....	53
4-1	Modoc State Highway “Project List”	91
4-2	Roadway and Bridge Improvement “Project List”	97
4-3	Alturas Roadway Improvements “Project List”	100
5-1	STIP Funding Flow Chart Policy	136
